1 Summary of Performance

1.A Introduction

This Budget Performance Report for Bauchi State is prepared quarterly, and issued within four weeks from the end of each quarter.

This report includes, the approved budget appropriation for the year 2021 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q2, attributed to each organizational unit, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations. The Quarter 2 performance is assessed against the original 2021 budget. No supplementary or revised budget has been passed to date in 2021.

The core economic classifications refer to:

- Personnel – Economic Sub-Account Type 21
- Overheads - Economic Account Class 2202
- Capital - Economic Sub-Account Type 23
- Others - Economic Account Classes 2203-2209 as applicable

This Budget Performance Report is produced by the Office of the Accountant-General, Treasury Division/ Ministry of Finance/ Ministry of Budget and Economic Planning/ Bauchi State equivalent, and published on the Bauchi State website.

1.B Revenue Performance

The 2021 Budget Revenue Components are made up of the following:

i. Government Share of FAAC (Statutory Revenue):

The sum of N102,711,502,253.95 was Budgeted out of which the sum of N31,430,676,374.26 representing 30.6%% was realised, during the first and second quarters of the year. This performance even though low, may likely improve in the course of implementation over the period as the economy is coming out of recession. With the ease of recession, oil prices are likely going to increase due to global demand and economic tension. Trade and commercial activities which accounts for the greater part of our VAT revenue are also likely to improve due to increased volume of trade and the relaxation of COVID-19 protocols. Another factor that may likely have a positive effect on

the revenue profile is the relative stability experienced in the Niger Delta region, which allows for higher output.

ii. Independent Revenue:

The sum of N24,085,588,861.00 was Budgeted out of which N13,137,746,457.25 representing 54.5% was realised during the period under review. Revenue performance in these quarters is relatively good in view of the prevailing economic situation of the State. The situation will likely further improve as the State is working towards the recovery of PAYE arrears from FIRS soon. Efforts will also be made to ensure the effective implementation of the Revenue Treasury Single Accounts, which compels all Revenue Generating MDAs to remit such revenues to the Consolidated Revenue Fund Account of the State.

iii. Aids and Grants:

Under Aids and Grants the sum N5,285,040,354.82 was realised out of the Budgeted figure of N20,899,230,530.50 representing 25.3%. The performance could have been better if not because of donor fatigue because of political transition in the developed nations particularly the United States of America that accounts of so many development interventions in the country. Other Grants such as UBEC fund are time bound in nature most of which begins from the second quarter of the year because of the fiscal constraints of the State in terms of Government Counterpart Funding.

iv. Capital Development Fund CDF (Receipts):

Capital Development Fund received a Budgetary Allocation of N40,885,488,129.64 out of which the sum of N19,008,740,210.73 or 46.5% was realised during the first and second quarters. The performance is a product of Government's commitment to investment in infrastructure aimed at enhancing the economic growth and development of the State. With a lot of roads projects, mass housing scheme, construction of new government house and rehabilitation of government lodge, water projects to mention but a few will likely require more funding from the various bilateral and multi-lateral financial agreements.

The Total Revenue (Including Opening Balance) Budgeted was N213,914,559,426.99 out of which N 93,600,208,134.02 was realised representing 43.8% during the period under review. The improved performance is largely due to the Opening Balance which was allocated the sum of N25,332,749,651.90 with a performance of N24,738,004,736.96 representing 97.7%.

1.C Recurrent Expenditure Performance

Total Budgeted Recurrent Expenditure stood at N92,994,971,654.31 out of which N42,063,377,414.48 or 45.23% is Personnel Cost while Other Recurrent Expenditure (Overhead Cost) stood at N50,931,594,239.83 representing 54.77%. Out of the Personnel Cost of N42,063,377,414.48, N18,654,002,236.62 was expended for the first and second quarters representing 44.3% which clearly shows the commitment of Government to the payment of Salaries and Wages. The sum of N18,834,408,559.19 was expended in the first and second quarters from the Budgeted amount of N50,931,594,239.83 representing 37.0%.

1.D Capital Expenditure Performance

Capital Expenditure received the sum of N120,919,587,772.68 or 56.53% of the entire Budget Size. The sum of N37,610,401,659.38 or 31.1% was expended during the period under review i.e. (first and second quarters). The good performance was largely attributed to massive infrastructural development projects currently going on across the State. It is indeed the first of its kind for some time in the State.

1.E Recommendation:

Generally, the performance of the Budget in terms of both Revenue and Expenditure is commendable. However, there is room for improvement in some identified areas some of which are as follows:

- a. Implementation of Treasury Single Account should be given priority to ensure that Revenue Generating MDAs are remitting all collections into the CRF.
- b. Expansion of Tax Payer Base to capture more taxable individuals and organizations cannot be over-emphasized.
- c. Collaborative efforts between the Government and Donor Partners should continue.
- d. Government should continue to fulfil its obligations in all agreement entered.
- e. Monthly performance from MDAs should be strictly observed.
- f. Government will continue to blocked leakages through procurement and clean pay roll.

1.F Conclusions

The Performance in terms of Budget Implementation is very encouraging given the current economic realities. With an average performance of 20% in the first and second quarters of the year, which is normally low in terms of economic activities, is an indication that the Budget Implementation will exceed the 85% annual target rate.

2 Budget Reports

2.A Summary

Table 1: Budget Summary

Bauchi State Government 2021 Q2 Budget Performance Report - Summary

Item	2021 Original Budget	2021 Q2 Performance	2021 Performance Year to Date (Q1-Q2)	% Performance Year to Date against 2021 Original Budget	Balance (against Original Budget)
